After working in the german film industry for five years I moved to New Zealand. I studied at the film and TV school in Wellington and afterwards worked on many commercials, shorts and feature films as a grip assistant. Recently I started to work as key grip.

Since 2015 I'm the owner of Grip Motion Limited which is a grip equipment hire and gripping services company.

Grip motion Ltd is designed to provide professional grip equipment for small to medium size projects.

Main Equipment: Super Panther III
 GFM jib arm
 Precision levelling track (Panther)
 Accessories
 Flat deck ute

Recent work includes:

“Thunderbirds are go” TV series (Key Grip and equipment)

“Warbrick” short (Key Grip)

“Shanara” TV Series (Grip)

“Crouching Tiger, Hidden Dragon: Green Legend” feature film (Grip)

“Slow West” feature film (Grip)

“Z for Zachariah” feature film (Grip)

“Consent: The Louise Nicholas Story” TV feature (Grip)

“How to murder your wife” TV feature (Grip)
