Location Sound Recordist based in Wellington.

I have a wide variety of skills that can facilitate film production audio requirements. Being on set since 2020 as a boom operator, sound assist, sound recordist, ADR, Voice Over recordist and Playback operator.

I bring fresh ears, commitment and an always keen enthusiasm to set. Reliable and professional.

I am passionate about using sound and music as a medium to tell histories of humanity.

Wellington based and happy to travel.
