

# Oberon Romond

Miramar, Wellington

020 408 10455

[oberon.romond@gmail.com](mailto:oberon.romond@gmail.com)

I am a hard-working and driven New Zealand film school graduate with a passion to launch and develop a successful career in the film industry. I have experience shooting, cutting and completing short form media projects for clients, alongside producing and directing artful video projects of my own design. I am highly skilled with video cameras and post production software, especially Davinci Resolve. I also make an excellent flat white.
